## ABOUT JLT

JLT is an international group of Risk Specialists and Employee Benefits Consultants and one of the largest companies of its type in the world. We offer a distinctive choice to our clients and partners through our combination of specialism, innovation and geographical reach.

We bring the best of JLT to all of our clients through collaboration and operate with autonomy and flexibility. We have the scale to provide solutions to the complex demands of the world's leading companies and to deliver global servicing whilst recognising that the needs of each of our clients are unique. By developing highly specialised services, we provide our clients with a depth of expertise and experience.

The value we create is driven through the personal determination of our 10,000 highly motivated and skilled people.

IN AUSTRALIA WE EMPLOY MORE THAN 800 HIGHLY MOTIVATED INDUSTRY PROFESSIONALS ACROSS ALL STATES AND TERRITORIES. OUR STRENGTH IS IN PROVIDING TAILORED, INNOVATIVE SOLUTIONS FOR INSURANCE AND REINSURANCE NEEDS OF COMPANIES AND INDIVIDUALS IN AUSTRALIA.

## JLT BUILDERS INSURANCE Commitment and Innovation

For a period spanning two decades, JLT Builders Insurance have been designing cutting edge insurance and risk management solutions for the construction sector.

We understand the commitment you have both to your business and to your customers and take pride in consistently delivering innovative and cost effective solutions to protect you from risk and uncertainty.

To complement our core expertise in risk and insurance, our construction industry specialists invest the time to truly recognise the needs of our customers, whether they are builders, property developers, principals or from other trades within the building sector.

Our dedicated teams of professionals combine years of knowledge and experience to develop insurance products that give you the protection you need and allow you to concentrate on the project in hand.

As a leading claims service provider, managed by construction specialists and always operating to strict service standards, our product is the envy of our peers and ensures that we always achieve the best possible outcome for our clients.

This is supported by our in-house, risk management and specialist workers compensation teams, each well versed in the particular requirements of the construction sector.
