

JLT FRANCHISES

COMMITMENT AND INNOVATION

We are different because we can offer you a broader choice of how to protect you and your customers, beyond just traditional insurance. We then work together with you to make informed decisions about which route delivers the best solution based on your needs.

Our programs are always designed to give maximum flexibility, ensuring franchisees meet their franchise contract obligations and enjoy suitable protection at an affordable price, including:

Contents and Stock – including deterioration of stock

- Fit-Out
- Burglary
- Money
- Glass
- Loss of Profits
- Public & Products Liability
- Machinery Breakdown
- Spoilage
- Theft by Employees

Our aim is simple - to consistently deliver products that offer you the widest protection, backed by exceptional customer service and which allow you to focus solely on your franchise owners and your business.

JLT FRANCHISES

COMMITMENT AND INNOVATION

JLT have been designing cutting- edge insurance and risk management solutions for franchise owners and operators throughout Australia for a period spanning two decades.

Whether you're a franchisee or franchisor, we understand the commitment you have both to your business and to your customers and take pride in consistently delivering innovative and cost effective solutions to protect you from risk and uncertainty.

To complement our core expertise in risk and insurance, our franchise sector specialists invest the time to truly recognise the needs of our customers, whether their franchise is a fast-food restaurant or retail outlet, a supermarket or a hotel and motel chain.

We recognise that in life and business the one thing you can be certain of is uncertainty. Core to our offer is a consistent approach, aimed at shielding you and your business from risk and financial uncertainty, even through the most challenging market conditions.

Our leading claims service, managed by industry specialists and always operating to strict service standards, is the envy of our peers and ensures that we always endeavor to achieve the best possible outcome for our clients.

To support our reputation for providing fresh, modern ideas, as a business we fully embrace technology and can present a seamless, integrated service backed by modern web-based delivery platforms.
